TimW et al.,

The attached report represents a huge team effort and is ready to be cleared and sent. We added a paragraph to the report intro to provide a bit of context and caveat the report explaining our goal of "simple" data reporting. That text is as follows:

# Ex. 5 Deliberative Process (DP)

A couple of reminders before you send.

- o Update the date
- o Remove draft water mark
- o Somehow we need to send to Erica Bergman
- o Rather than scanning, create pdf for higher quality print

Thanks.

Tim
